Chastity

Chastity devices are paradoxically freeing. They liberate you, donâ??t they, from the the constant irritation of having to keep those annoying cock and balls under manners
Exhausting isnâ??t it. Having a cock.
Let me teach it a lesson

Or mistress is â?¦.

Itâ??s a fascinating topic

Do arrange for a confidential consultancy/ /naughty chat with mistress on the subject or just goon yourself into oblivion on thinking about doing just that
