The Baphomet. â?? The much maligned and misunderstood divine tranny slut.

Punishments will be dished out for good or bad behaviour dependent on preference and sluts will be required to perform their competence as sissies to Mistress and the class.

Mistress will be wearing her strap on and will be waving her magic wand and will see if any volunteeers at the festival can be found of any gender to demonstrate the correct method of putting an uppity sissy in their place; by fucking them in the ass although if this is way beyond your experience level, alternative methods of expressing dominance and ensuring your subordination and complete submission into your pathetic sissy self will be used.

How depraved things get will be up to you and all will take place under Mistressâ?? expert tutelage and guidance

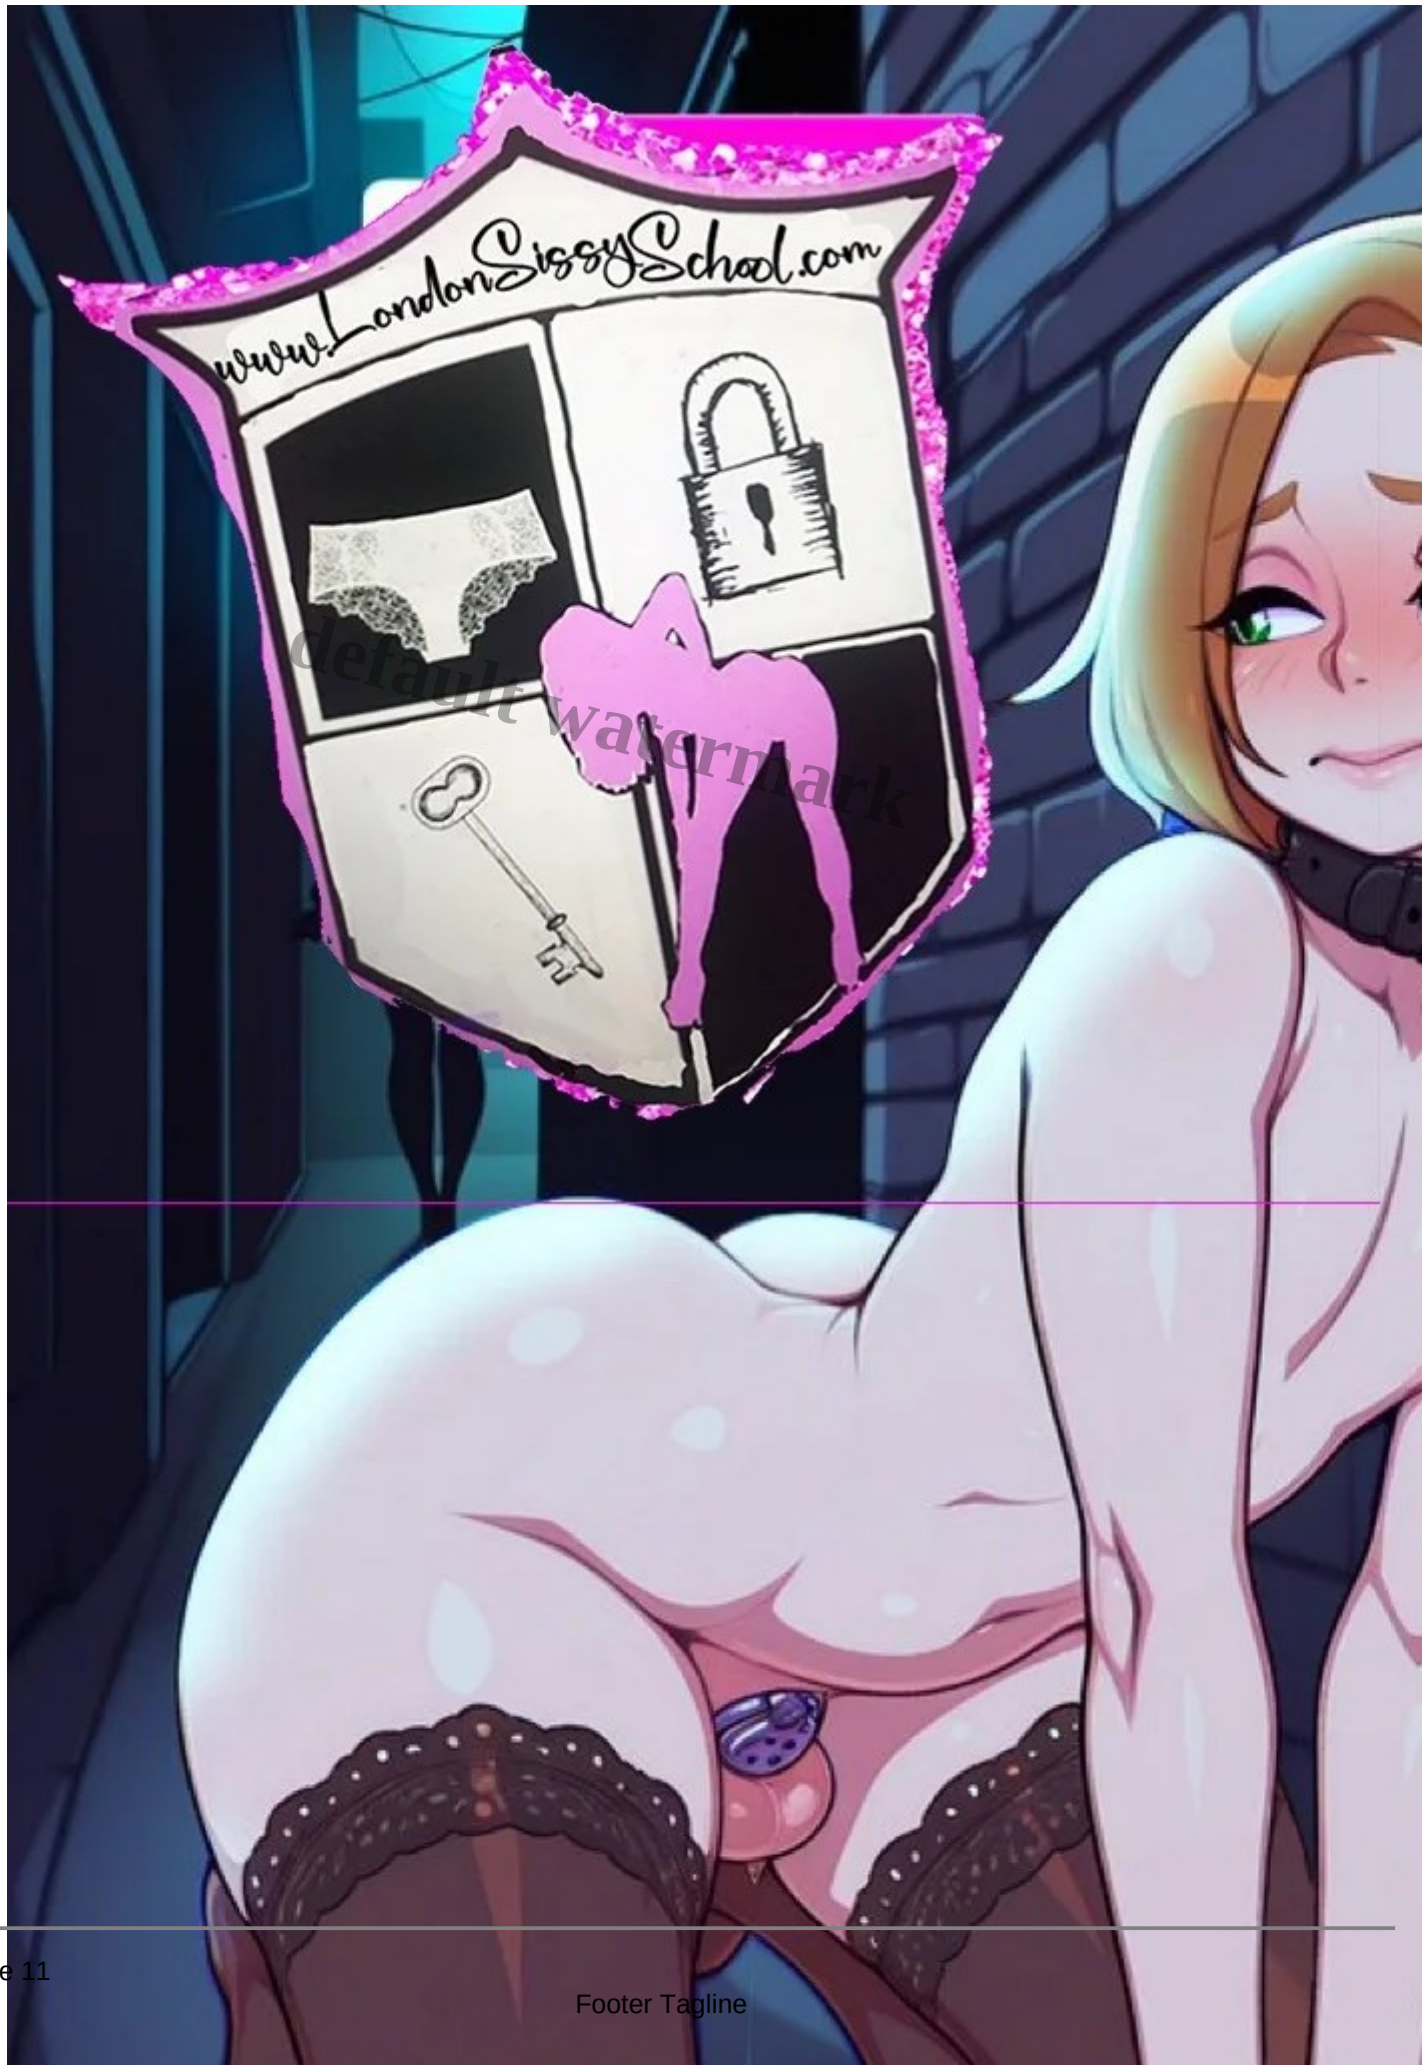

Mistress will also bring a selection of CP items in her luggage and looks forward to seeing them all snuggled up next to her lingerie on their way through the x ray machine at the airport

THE CAGE GOES ON SO YOU CAN LEARN THERE'S A BETTER WAY TO CUM!!

Bring your own cage. I donâ??t want to bring my entire collection through airport security â?¦. wearing yours through airport security, however, is.

Mistress will be happy to extend her role as Sissy School Mistress for the duration of the festival. Offering sets of tasks and daily check ins and more.

Any pathetic sluts looking to surrender to Mistress and their pathetic alter ego for a longer period than a few hours will find this a most oppotune opportunity in a delightful private, public setting.
