They found a Roman dildo used by slutty sissy centurions

Description

They found a slutty sissy Roman dildo, near Hadrians wall.

Historians because they are rather vanilla and have a one track mind when it comes to academic matters initially interpreted the item as being a sewing or â??grindingâ?? tool. They were partially right , it was a grinding tool but not for the sort of grinding they had in mind.

Sissy V

Or sissy 5

Was dressed in a pink silk bra, pink lace panties pink corset, stockings and heels.

She was excited by the sensation of the fabric against her skin. It felt so good to finally surrender to the soft femine fabrics and the sensual sissy subspace they triggered

She stood coyly to attention, Mistress looking beautiful inspected her and checked that the firmness and softness of her breasts running bar hands over Sissy Vâ??s titties and and squeezed one of her pink nipples between her thumb and her forefinger.

Sissy V inhaled sharply. The tingling from her hard nipple, against the soft silk of her padded bra sent tingles down to her sissy clit that responded by swelling and straining against the pink silk of her tiny, pretty panties.

Mistress ran her hand down Sissy Vâ??s thigh and touched the bulge in her panties. And noticed where the silk was a darker shade from the excitement. Mistress touched the pink silk of Vâ??s panties with her hand.

Mistressâ?? touch made V more excited and drop deeper into a brainless sissy haze. Sissy V longed to be the best slutty sissy for Mistress.

â??The legionaries are ready to make use of you now Sissy Vâ?• said Mistress as two Roman soldiers began to spit roast Sissy V. Big, strong calloused hands holding her by the hair and one holding her waist, two fingers probing deep into her pussy Sissy Vâ??s hungry fuckhole gobbling them down expectantly. Hungry for fat hard cock
