For most students, being a cock sucking slut, is enough of an entree into the mysteries of feminine identity.

For some students a more in depth understanding of other the feminine mystique need to be unlocked in order for them to fully surrender into the mindless delights of subspace Mistress effortlessly creates.

Victoriaa is that type of slut.

Victoria wishes to be an elegant slutâ?¦

A high end harlot. A pristine and coiffured sissy, with hair set under the heat of a 1960â??s hair dryer as you wait for your man to come and collect you, in a beautiful classic Bentley. Your man opens the door for you and watches, enflamed with desire as your stockingâ??d legs, in beautiful patent heels step from the curb and into the car as the men on the streets watch and lust after your elegant curves.

Wouldnâ??t it be wonderful to be so out of reach but so within reach of the carnal desires of the mob. To surrender to big manly handsâ?¦ big manly hands that pushing you into the backseat and paw at the slik of your stockings, pushing up your skirt, in order to maul and have their wicked way with youâ?¦ pawing at your stockings as the men on the street crowd the car, touching themselves as they watch through the windowsâ?¦ Bulging crotches pressed tight to the securely fastened windows. Unless you choose to allow one , or two or maybe more of them access to your elegant, once pristinely clothed body
