I learnt a new term today

Description

Osculum infame

Mistress Psyche

The term is referred to in many texts written by 16th century witch hunters and referred to a witchâ??s supposed ritual greeting upon meeting with the Devil.

Oculum infame is Latin for kissing the devilâ??s anus, his â??otherâ?• mouth.

According to folklore, it was this kiss that allowed the Devil to seduce his followers .

Would you like to attend a satanic sissy Sabat and kiss the devils ring?

Or would he kiss yours?

He supposedly has a forked tongue so he could likely give it quite a tickle.

Maybe do your balls at the same time as your little clitty throbs against your little pink panties
