Victorias secret

Description

Victorias secret

It was Victoriaâ??s wedding night. It had been such a marvellous afternoon. And everyone had complimented her on how beautiful she looked in her beautiful delicate silk dress.

Victoria had enjoyed the softness of the silk against her hot, soft, generous curves.

A softness that had made her feel more feminine and objectified than sheâ??d ever felt before.

She felt the eyes of the congregation upon her. And her nipples, hard under her beautiful lace bra and the matching tiny thong; a gift from her future father in law , got wet at the crotch, as she bathed in the desiring gaze of every man in the congregation

The vicar clearly had a big bulge in his trousers as he officiated , he kept gazing over at her cleavage , her big , round, soft breasts, bouncing and heaving and perfectly presented by the delicate handmade ivory corset.

Everytime he gazed at them he reajusted his trousers.

And Victoria blushed. And the blush tingled all over her body and turned her on

And now the wedding was over.

It had been such a wonderful event. Victoria had enjoyed being the centre of attention. Receiving all the beautiful gifts ; vouchers for Anne summers from her husbandâ??s boss and a stay at a kinky air b&b And of course the best gifts were the admiring looks from all the male guests.

It had been quite the day. And Victoria was tired and basking in the afterglow on her soft double bed in her hotel room when her husband and his best man entered the room

Without a word Victoriaâ??s husband shut the door and gestured for Victoria to spread her legs.

Victoria who was desperate to act as the ideal submissive wife did exactly that and moaned gently as he slipped his hard cock inside her hot wet pussy

â??I have saved the best gift for last, darlingâ?? he said. â??I know this is something youâ??ve always wantedâ?? and gestured to the best man to get his cock out.

It was beautiful. So big and fat and hard . The perfect wedding gift.

â??Now open your mouth darling. â??

Victoria began to suck on the big fat hard cock as her husband, visibly excited by the sight. began thrusting harder and harder inside her bringing her hot wet pussy to climax.

I know now, thought Victoria . Why they say the best day of a girls life is the day she gets married
