

Sissy visits public toilets

Description

default watermark

The fluorescent lights buzzed overhead in the public restroom at the edge of the park, Victoria , dressed in her favourite lingerie and delicate black dress had slipped inside after spotting a man lingering by the sinks. In the short black dress that barely covered her smooth thighs in fishnet stockings Victoria felt her heart race. Her little sissy clit twitched in her lacy panties, excited from the the thrill of being so exposed.

The door creaked shut behind the man, who locked it with a click. He was tall, broad-shouldered, with rough hands and a bulge straining against his jeans. The man stepping closer, his eyes raking Victoria's body. Victoria dropped to her knees on the cold floor without a word, the skirt riding up to show the hot curve of her ass.

The man unzipped his fly, pulling out his thick cock, already hard and veined, the head glistening. Victoria leaned forward, her mouth watering, and wrapped her lips around the tip. She sucked eagerly, tongue swirling over the slit to taste the salty pre-cum, bobbing her head to take more down her throat. '!

Victoria Gagged slightly as she sucked the man's cock, The man groaned, grabbing a fistful of Victoria's blonde hair and thrust deeper, with short, rough pumps.

'Get up,' the man ordered after a minute,. The man hiked up Victoria's skirt, ripping her panties aside to expose Jamie's smooth, plugged ass. He pulled the plug out with a pop, tossed it into the sink, then spat on his fingers and shoved them inside.

Victoria whimpered, pushing back against the man , her sissy clit rubbing against the sink edge. 'Please, fuck me,' she begged
