I stood trembling in my lace lingerie, pink stockings, garter belt , pink lacy thong. Parent pink stilettos and makeup applied by Mistress Psyche.

Mistress adjusted the angle of her camera phone in my direction and I could see the live stream view on her screen, as the chat began to scroll with rapid, obscene comments and donations.

My cheeks flushed with the excitement of humiliation, knowing that soon, the world would see me subjected to her strap-on.

The live stream had begun.

I saw Mistress typingâ?¦.

â??I have a queue of eager, sissies who are desperate to submit to me whilst you watch and wish you could clean up after I finish â?¦

Iâ??m going to select the first little slut who will submitâ?¦ Who will bend over for my pleasure â??

Mistress turned, letting her robe fall open just enough to show the harness strapped tight around her hips, the sleek, black cock gleaming under the lights. It made me want to bend over immediately and let mistress use me for her pleasure and the pleasure of the anonymous male viewers at home.

Mistress selected the first slut from the assembled group ; â??Lillyâ?•â??a delicate femme sissy in a pink maidâ??s outfit, her face made up with soft feminine make up, red lips and exaggerated the gothic eyeliner that framed her wide, worshipful eyes.

â??Are you ready to serve, Lily?â?•

Mistress asked, rhetorically

â??Yes, Mistress,â?• Lilly whispered

â??Good girl. Get on the plinth Lilly. Present yourself.â?•

Lilly scrambled enthusiastically onto the plinth and lay on her stomach, expectantly. Mistress ran a hand over Lilyâ??s trembling back, then gripped her short skirt and yanked it up. Her bare ass was pert and quivering.

Mistress picked up the bottle of lube,

and rubbed it with l latex gloves fingers,, over Lillyâ??s tight virginal entrance and slipped a latex gloved digit inside

Lily gasped, as Mistress then applied more lube to her strap on, stroking it slowly, making the act a performance.

She positioned herself behind Lilly and with , one hand to hold Lilly steady she guided the lubed tip of tbe strap on into Lillyâ??s slicked hole.

Lily cried out as mistress buried the entire length inside him with one smooth, powerful thrust.

Mistress began to move, establishing a, rhythmic pace. In and out. Deep, then almost all the way out, then deep again.

Lilyâ??s moaned her body moving with Mistressâ?? thrusts , in hungry participation.

Mistrsss picked up the pace, thrusts becoming harder, faster. The bed creaked.

The scene played out as the excited gaggle of sissies, watched, enthralled , jostling for prime perving position , their little clitties twitching against gilded locked cages was Lilyâ??s moans became louder.

Mistress reached forward and grabbed a handful of Lillyâ??s hair, so viewers could see Lillyâ??s face as the thrusted deeper and deeper and faster and faster into Lillyâ??s ass, bringing the first act to to an orgasmic crescendo

â??Tell them,â?• she commanded. â??Tell the viewers who owns you.â?•

â??Youâ?¦ Mistressâ?¦â?• Lilly panted. â??You own me!â?•

Mistress slammed into her one, two three last, deep times, holding herself there, buried to the hilt, letting Lilly feel the full, unyielding presence inside her. Lillyâ??s body shuddered in several orgasmic shudders and Mistress pulled out leaving Lily collapsed onto the plinth , gasping.

Mistress looked down at Lilly. â??Pull your panties up and get off the plinth like a good girl. â?? The others are waiting.
