Sissys bimbofication hypnosis fantasy

â??Focus on my voice . Let the rest of the world fade.â?•

The voice was silk and smoke, wrapping around my mindâ?¦.

The voice was emanating from my laptopâ?¦. It was the voice of Mistress Psyche..

â??Breathe with me. Inâ?¦ and out. Inâ?¦ and out.â?•

I obeyed. My breathing slowed, syncing with hers. The bedroom around me blipped out of existence and only her voice was in focus, clear, smooth hypnotic.

â??You feel a warmth, donâ??t you?â?• she murmured. â?? A Pink , glittery warmth, it fills the firm swell of your perfect breasts. Large. Round. Heavy in your hands. Your body is curving, changing. Becoming lush. Voluptuous.â?•

My breath hitched. The sensation wasnâ??t just imagined; it was physically happening.

A phantom pressure pushed against my shirt, settling on my ribs.

â??Let yourself transform â?• .

Instructed Mistess

â??Allow the transformative energy to flow , down your stomach. To your hips. To that secret, place between your legs where your pussy is awakeningâ?¦ dripping. Hot and wet and ready. You can feel the moisture, the slippery heat. Your body is a temple of desire now. Blonde hair cascades over your shoulders. Your skin is flawless, hot to the touch. And youâ??re wearingâ?¦ a tiny thing. A scrap of fabric. A pink micro bikini,â?•

The visual slammed into me. I saw itâ??not in the room, but in my mind, vivid and perfect. My own body, transformed. Cascading blonde waves. A lheavy bust straining against a minuscule pink triangle top. A matching scrap of bottom, barely covering the swollen, wet lips beneath. The image was so potent, so real,

. â??This hot, curvy body is yours. These big, round, firm, soft, breasts are yours. The hot wet pussy is yours and as you touch yourself you feel yourself become brainless. You feel yourself becoming a brainless slut a brainless bimbofied slutâ?¦ good for nothing apart from sucking cock. â??

I could feel it. I could feel all of it all as I surrendered to mistressâ?? instructions and dropped into a state of pure brainless pink bimbofied bliss
