Description

.. becomes a reality.

We stopped beside a piece of roadwork signage??on a traffic island where cars slowed for a temporary traffic light

??Bend,?• Mistress commanded.

I obeyed and my dress slid up and around my waist, leaving my pink g string , and delicate metal cage visible under my hot pink skirt and between my awkwardly spread thighs.

I looked down nervously at my pink heels as I heard traffic pausing at the light and then A wolf whistle. A thrill ran up my spine, as I felt a deep blush of humiliation tinged with arousal flush up my body as the rosy dizzy heat tingled in my face and made me feel giddy

I heard Mistress?? boots clack on the paving slabs as she stepped closer . She leaned in until her lips almost brushed the shell of my ear.

??Now be a good girl and hold that position?| A photographer friend likes to take this bike path home and said she??d love to take some shots of you for her instagram , it??s only a small account, she only has a few thousand followers.. all of who are women ?•
