I adjusted the seam of my stocking . Mistress had left a dress draped across a chairâ??a delicate silk pink sheath Beside it, a pair of blush-pink delicate heels My fingers trembled as I lifted the dress by its slender straps. The fabric whispered against my palms.

My legs, freshly waxed, gleamed. The stockings came firstâ??sheer, with a seam up the back Then the garter belt, ivory lace

The dress slid over my head so smooth and silky and it fit perfectly. I remembered ordering it online from a high end boutique, under Mistressâ?? supervision. The memory made my clitty twitch against the expensive silk as I slipped on the heels.

I finished my makeup. â??Foundation blended seamlessly. A subtle contour softened my jaw. I applied the Lipstick last. A blushing rose shade and pressed my lips together on a tissue that left behind a kiss-shaped ghost.

I was ready

â??Turn for me.â?• Said Mistress

I pivoted on the stilettos, feeling the hem of the dress brush my upper thighs as I walked towards. I could feel each step, a subtle pressure that made my breath catch at the top of each inhale as we walked into the dining hall.

The table was laid with a tiered porcelain stacked with elegant finger sandwiches â??cucumberâ?¦ smoked salmon and scones with clotted cream and strawberry preserves. Beside it a silver teapot steamed and on the floor, centered on a linen placemat embroidered with my initials, sat a bowl.

â??Kneel.â?• Mistress said as she settled into the chair above me, crossing her legs. She poured herself a cup of Earl Grey and picked up a sandwich and dropped it into my bowl . Youâ??ve been a good girl, tuck in.. but remember youâ??re not allowed to use your hands. Youâ??ll spoil your nail polish â??

Youâ??ve thought about it. for weeks, maybe years. The stockings. The heels. The surrender of it all.
