Description

default watermark

I haven't written for a while as I have been rather busy at the school running various projects and sissy classes, London just letting you know the school is still open and accepting students.

I have also been involved in outreach projects for sissy classes London

I have uploaded a hypno recording to you tube

<https://youtu.be/JtsUuoZ9FC4>

Which is available via the link above

And my book of sissy flash fiction

<https://sissyschoolboutique.etsy.com/listing/4577146292>

Which is available via this link has been selling via the school shop.

So if you and your exploits are included in it, you may get some kind of kick out of knowing someone somewhere else (mainly Americans) are getting a kick out of them too

Much love
