Your Questions, Answered

Iâ??ve never done anything like this before. Is that okay?
Absolutely. Many of our most devoted students arrived nervous, unsure, and entirely new to feminisation. Mistress will guide you every step of the way, at your pace, on your terms.

Is this completely discreet?
Yes. Your privacy is paramount. All enquiries and sessions are handled with complete confidentiality.

Can I do this if Iâ??m not in London?
Yes. Online sessions are available to sissies worldwide. All you need is a private space and a willingness to obey.

What should I do first?
Simply make an enquiry. Mistress will take it from there.

This Is Your Enrolment Notice.

The Headmistress is waiting. All that remains is for you to obey it.
